

Letter of Guarantee on Hazardous substance to Environments

1. Our company presents <the Letter of Guarantee on the Hazardous substance to Environments> to guarantee the environmental-friendliness of our products in response to the international regulation on hazardous substance to environments.
2. The following substance(s) are not contained in the copper and copper alloy products by POONGSAN and are not used in manufacturing.

► **Mercury**

Mercury is a silvery-white liquid post-transition metal and an unreactive metal. It does not corrode in air unless hydrogen sulfide is also there.

Mercury is a heavy metal and is a substance that can cause poisoning.

Mercury easily evaporates, producing a colorless gas.

Mercury damages the nervous system, causing language and motor impairments, and in severe cases, it can lead to paralysis of the limbs.

3. POONGSAN hereby certifies the above statement to be true. If the above statement turns out to be false, we guarantee to take full responsibility for all matters.
